Sir:

Before examination of the above-captioned application on the merits, please amend the application as follows:

Amendments to the claims appear on page 2 of this paper. (The original claims as presented (and further amended) herein incorporate the amendments accepted during the international phase of this application, as shown in the accompanying English translation of the annex to the IPER. However, the accompanying English translation of the international application does not include these or any other amendments, but, rather, is a translation of the application as originally filed.)

Remarks appear on page 3 of this paper.
